## Parent Newsletter March 2024

### STAFF NEWS

Our Head of Centre Mary and Team Leader Naomi have now returned, welcome back to you both!

Some wonderful news to share, our CDO Abbie welcomed a beautiful baby girl, welcome to the world Cora! I am sure you will join us in wishing Abbie and her family all the best!

We would also like to extend a big thank you to CDO's Yvonne and Stephanie. Yvonne and Stephanie are based at other establishments but have been helping out at Yokerburn during our period of low staffing - your support has been invaluable ladies so thank you!

### EASTER FUNDRAISING

To celebrate Easter the children will be taking part in a Sponsored Easter Egg Hunt in our community woodland within the campus. Sponsor Forms will be given out next week with more information.

### INCREDIBLE EGGS

During the month of March we have something very exciting happening! We will be working with Incredible Eggs and taking delivery of some chick eggs! The children will be able to observe and learn all about the stages of life through from egg, to hatching, to chicks! The chicks will hatch within a few days of receiving the eggs, they can then be cared for, carefully handled and observed until they are returned to the Incredible Eggs team. We are looking forward to welcoming these new additions to Yokerburn and will be sure to keep you up to date on their antics!

### TOYS FROM HOME

We would like to remind all parents/carers that children are **not** permitted to bring toys from home into the nursery. We understand that the children like to bring toys to show their friends however they can become upset if a toy is lost or broken. In order to keep these special items safe and secure we urge parents to leave them at home. We have plenty of toys and resources in nursery for the children to enjoy throughout the day. Thank you!

### SEESAW

All Seesaw accounts are now live - if you do not have access to your child's Seesaw account or if you are having any issues please speak to Carol-Anne who will be able to assist.

### REQUIREMENTS FOR OUTDOOR PLAY

Whilst at nursery the children experience many activities both inside and outdoors. The children are given the opportunity to play outside every day, in all weathers. It is important that children come to nursery with the appropriate clothing to ensure they can gain the full benefits of all experiences. Please ensure your child comes to nursery with:

- Waterproof warm jacket
- Wellies
- Hat, gloves & scarf
- At least one full change of clothes (multiple changes required if your child is toilet training)
- Sun Hat

### PICK UP / DROP OFF TIMES

It is important that all parents / carers pick up and drop off their child at nursery at their agreed time. Staffing rotas are organised around the children's start and end times to ensure that staffing remains at a safe ratio throughout the day. If you bring your child to nursery early or collect them late this can cause rooms to be over their safe number of children for that time of day. If you are running late then please phone the nursery as soon as possible so that we can inform the staff within your child's room. If you are unsure of your child's nursery times please speak to a member of management or the office.

### ILLNESS REPORTING

If your child is unwell and unable to attend nursery we would ask that you please contact us by phone on 0141-952-9962 at your earliest convenience.

We would also like to remind parents/carers that if your child has experienced any sickness and/or diarrhoea they must be off nursery for **48 hours from the last bout of sickness/diarrhoea**. This is vitally important to prevent the spread of illness within the nursery.

We would ask that you please consider if your child will be happy to attend nursery when they are unwell. Although children can attend if suffering from a cold or mild illness they may not be feeling themselves within the playroom environment and may not feel entirely comfortable. We would ask that you please consider this before sending your child to nursery unwell.

### LOST PROPERTY

We currently have a high volume of lost property items within the nursery that have not been claimed. Please ensure all of your child's clothing and shoes are **labelled with their name**, this helps us to identify any lost property and return it to its rightful owner. If an item of lost property does not have a name and is not claimed within 1 week it will be donated to charity via the Nessie Bin.

### KEEPING IN TOUCH

If you have recently moved house or changed your phone number or email address please let the office know ASAP. This allows to keep your record up to date and ensures that you will not miss any newsletters or important emails and texts.

In order to keep these special items safe and secure we urge parents to leave them at home. We have plenty of toys and resources in nursery for the children to enjoy throughout the day. Thank you!

### SEESAW

All Seesaw accounts are now live - if you do not have access to your child's Seesaw account or if you are having any issues please speak to Carol-Anne who will be able to assist.

### REQUIREMENTS FOR OUTDOOR PLAY

Whilst at nursery the children experience many activities both inside and outdoors. The children are given the opportunity to play outside every day, in all weathers. It is important that children come to nursery with the appropriate clothing to ensure they can gain the full benefits of all experiences. Please ensure your child comes to nursery with:

- Waterproof warm jacket
- Wellies
- Hat, gloves & scarf
- At least one full change of clothes (multiple changes required if your child is toilet training)
- Sun Hat

### PICK UP / DROP OFF TIMES

It is important that all parents / carers pick up and drop off their child at nursery at their agreed time. Staffing rotas are organised around the children's start and end times to ensure that staffing remains at a safe ratio throughout the day. If you bring your child to nursery early or collect them late this can cause rooms to be over their safe number of children for that time of day. If you are running late then please phone the nursery as soon as possible so that we can inform the staff within your child's room. If you are unsure of your child's nursery times please speak to a member of management or the office.

### ILLNESS REPORTING

If your child is unwell and unable to attend nursery we would ask that you please contact us by phone on 0141-952-9962 at your earliest convenience.

We would also like to remind parents/carers that if your child has experienced any sickness and/or diarrhoea they must be off nursery for **48 hours from the last bout of sickness/diarrhoea**. This is vitally important to prevent the spread of illness within the nursery.

We would ask that you please consider if your child will be happy to attend nursery when they are unwell. Although children can attend if suffering from a cold or mild illness they may not be feeling themselves within the playroom environment and may not feel entirely comfortable. We would ask that you please consider this before sending your child to nursery unwell.

### LOST PROPERTY

We currently have a high volume of lost property items within the nursery that have not been claimed. Please ensure all of your child's clothing and shoes are **labelled with their name**, this helps us to identify any lost property and return it to its rightful owner. If an item of lost property does not have a name and is not claimed within 1 week it will be donated to charity via the Nessie Bin.

### KEEPING IN TOUCH

If you have recently moved house or changed your phone number or email address please let the office know ASAP. This allows to keep your record up to date and ensures that you will not miss any newsletters or important emails and texts.

### ILLNESS REPORTING

If your child is unwell and unable to attend nursery we would ask that you please contact us by phone on 0141-952-9962 at your earliest convenience.

We would also like to remind parents/carers that if your child has experienced any sickness and/or diarrhoea they must be off nursery for **48 hours from the last bout of sickness/diarrhoea**. This is vitally important to prevent the spread of illness within the nursery.

We would ask that you please consider if your child will be happy to attend nursery when they are unwell. Although children can attend if suffering from a cold or mild illness they may not be feeling themselves within the playroom environment and may not feel entirely comfortable. We would ask that you please consider this before sending your child to nursery unwell.

### LOST PROPERTY

We currently have a high volume of lost property items within the nursery that have not been claimed. Please ensure all of your child's clothing and shoes are **labelled with their name**, this helps us to identify any lost property and return it to its rightful owner. If an item of lost property does not have a name and is not claimed within 1 week it will be donated to charity via the Nessie Bin.

### KEEPING IN TOUCH

If you have recently moved house or changed your phone number or email address please let the office know ASAP. This allows to keep your record up to date and ensures that you will not miss any newsletters or important emails and texts.

We would also like to remind all parents / carers please do not send your child into nursery with any food and drink items, either in their hand or in their bags. It is important that we are able to monitor all food and drink consumed on the premises. Snacks and lunch are provided during nursery hours therefore children are not required to bring anything with them. **Any food or drink items found within bags or jackets will be disposed of.** Thank you for your support!

Without these invaluable contributions we would not be able to provide the children with birthday presents, Christmas presents, special events and end of year graduations! The Toy Fund envelopes are handed out each month - if you haven't received yours yet please speak to the office. Donations can be posted in the Toy Fund box at the main office door. **THANK YOU!**

## WELCOME TO OUR PANTRY

### YOKERBURN PANTRY

We have set up our Yokerburn Pantry which is situated outside the main office. We have food items, nappies, toiletries and clothing all available for those who require it. Please take anything you need in moderation, no questions asked. We are also happy to accept donations of unopened baby formula, nappies, food and unwanted clothing.

### STARTING SCHOOL

Our Starting School Information board is now up and running – this can be found on the wall beside the Lomond Room door. We will put all information regarding school transitions onto this board as and when we receive it. If you have submitted a placing request for your child we would ask that you please let us know as soon as you receive your decision – this allows us to ensure we have an accurate list of which school each child is attending. We have added all children's photos to the Starting School wall – this allows parents/carers to see which other children are attending the same school as your child. If your child has been placed under the incorrect school on the wall please let us know so that we can update our records.

## Parent Newsletter March 2024

### STAFF NEWS

Our Head of Centre Mary and Team Leader Naomi have now returned, welcome back to you both!

Some wonderful news to share, our CDO Abbie welcomed a beautiful baby girl, welcome to the world Cora! I am sure you will join us in wishing Abbie and her family all the best!

We would also like to extend a big thank you to CDO's Yvonne and Stephanie. Yvonne and Stephanie are based at other establishments but have been helping out at Yokerburn during our period of low staffing - your support has been invaluable ladies so thank you!

### EASTER FUNDRAISING

To celebrate Easter the children will be taking part in a Sponsored Easter Egg Hunt in our community woodland within the campus. Sponsor Forms will be given out next week with more information.

### INCREDIBLE EGGS

During the month of March we have something very exciting happening! We will be working with Incredible Eggs and taking delivery of some chick eggs! The children will be able to observe and learn all about the stages of life through from egg, to hatching, to chicks! The chicks will hatch within a few days of receiving the eggs, they can then be cared for, carefully handled and observed until they are returned to the Incredible Eggs team. We are looking forward to welcoming these new additions to Yokerburn and will be sure to keep you up to date on their antics!

### TOYS FROM HOME

We would like to remind all parents/carers that children are **not** permitted to bring toys from home into the nursery. We understand that the children like to bring toys to show their friends however they can become upset if a toy is lost or broken. In order to keep these special items safe and secure we urge parents to leave them at home. We have plenty of toys and resources in nursery for the children to enjoy throughout the day. Thank you!

### SEESAW

All Seesaw accounts are now live - if you do not have access to your child's Seesaw account or if you are having any issues please speak to Carol-Anne who will be able to assist.

### REQUIREMENTS FOR OUTDOOR PLAY

Whilst at nursery the children experience many activities both inside and outdoors. The children are given the opportunity to play outside every day, in all weathers. It is important that children come to nursery with the appropriate clothing to ensure they can gain the full benefits of all experiences. Please ensure your child comes to nursery with:

- Waterproof warm jacket
- Wellies
- Hat, gloves & scarf
- At least one full change of clothes (multiple changes required if your child is toilet training)
- Sun Hat

### PICK UP / DROP OFF TIMES

It is important that all parents / carers pick up and drop off their child at nursery at their agreed time. Staffing rotas are organised around the children's start and end times to ensure that staffing remains at a safe ratio throughout the day. If you bring your child to nursery early or collect them late this can cause rooms to be over their safe number of children for that time of day. If you are running late then please phone the nursery as soon as possible so that we can inform the staff within your child's room. If you are unsure of your child's nursery times please speak to a member of management or the office.
